MONTHLY REPORT

Vice President for Student Affairs Nicole Daly
January 2013

Submitted February 7, 2013

Project Updates:

• The Student Affairs committee administered the LLC survey that they had drafted in the fall. They fielded about 150 results and compiled the feedback. We hope to present this information to administrators in the coming month.

• Along with the President of the Resident Student Association (Katelyn Zahler) and 3 Senior Resident Assistants, we have been interviewing candidates for the vacant Director of Residential Life position. We have asked each candidate questions regarding gender neutral housing, LLC’s, RA accountability, RA programming, and upperclassmen apartment style housing options.

• Along with a committee member, I assisted the Office for Student Conduct and Conflict Resolution (OSCCR) as an observer during their Student Conduct Board group interviews. The Board received about 90 applicants, a steep increase from last year, when they received only half that number.

• The Northeastern University Interfaith Council has drafted a “Mission, Model, and Agreement” to serve as a model for dialogue and collaboration amongst spiritually centered student organizations and the greater Northeastern community.

• The Student Affairs committee has drafted an “ Resident Assistant evaluation” in order to assess RA performance outside of programmed events.

• We have been in contact with the Alumni Center about creating a Catalyst Project in order to raise money for a campus monument to honor student achievement.

Events Attended:

• College of Science Convocation for N.U.in and U.S. Sino Pathway Program students
• NU Starts Kick-Off Event
• Off-Campus Student Services Open House
• Martin Luther King Day of Service
• Empower Conference

Scheduled Meetings:

• Lauren Kettler, Associate Director of the N.U.in Program
• I am Northeastern Task Force (Val Randall-Lee, Douglass Lee, Chiquita Baylor, Gail Olyha)
• William Kirtz, Associate Professor of Journalism & Chair of the Faculty Senate Committee for Enrollment and Admissions Policy
• Northeastern University Interfaith Council

Individual Concerns:

• Provided student opinion to the Faculty Senate Committee for Enrollment and Admissions Policy regarding the direction of recruitment and new admissions requirements for prospective students.

• Provided feedback to several different students and student organizations about campus networks and resources.
