MONTHLY REPORT

Vice President for Student Affairs Nicole Daly
October 2012

Submitted October 30, 2012

Project Updates:

- We have received 168 responses in total to the “NU Traditions Survey”. We have begun to process the information but the survey remains open.
- Tim Wise, a nationally known anti-racist activist, has been funded by the request of our co-sponsoring organization, NU Mix, and is coming to speak at Northeastern on Monday, November 5th in the CSC Ballroom.
- The Student Affairs Committee has begun to draft a document called “Expectations of Community Members”. The goal of this document would be to explain the pride that comes along with being a member of the Northeastern community, and the mutual expectations for members of our community. We are currently working with the Interfaith Council, the “I am Northeastern” Task Force, and Residential Life and are hoping that this becomes a University accepted resource.
- I have met with several administrators and students regarding Referendum Question 3: “to equalize marijuana possession with underage alcohol consumption”. In short, the University is unable to consider this policy change until the next full Code of Conduct Review during the 2014-2015 school year. For more information, please see my “Report to the Student Body on Referendum Question 3” for more details regarding those meetings.

Events Attended:

- Homecoming: Mayor of Huntington Avenue Debate and Red & Black Day
- Presented a workshop called “Building Community: From Groundwork to Group Dynamic” at Student Leadership Day
- NU Era of Women Dialogues, Social Justice Resource Center
- Managed an “I am Northeastern” table at the NU Pride Carnival
- Ran the Mission Hill Road Race, along with over 200 other Northeastern students, which was held to benefit the Kevin W. Fitzgerald Park on St. Alphonsus St. The purpose of the event was to spend time with our neighbors on Mission Hill and promote Northeastern’s name in the community. I assisted City & Community Affairs in recruiting students for the event, which helped us to win the Pudding Pot Cup, a competition between the other colleges in the area to see who can bring out the most support from their school.
