b. Senator Hamp: Where’s the Annual SGA Holiday Dinner?
   i. Executive VP Sharma: Great question! It will be on campus in the McLeod Suites. I’m just looking to confirm the room for December 8th, Thursday, which is reading day. It’ll be at 7 pm, the theme is “Home for the Holidays”, it’s going to be super, super comfy, super lax, very casual, just a chance to de-stress before finals start.

c. EDOC Gilbert: When you say super casual attire for the SGA Holiday party, how casual is it? Like onesie casual?
   i. Executive VP Sharma: If they so choose, yes. It’s whatever they’d like it to be.

d. Senator Ghaw: When you mentioned the new logo, did you mean the new logo for SGA, or a different organization?
   i. Elections Chair Gugliemotto: We are in the process of creating a logo solely for the Direct Elections that take place in March.
   ii. Senator Ghaw: And would you need help with advertising?
   iii. Elections Chair Gugliemotto: Absolutely, any help is appreciated.

e. **Senator Kadakia:** What is the status of the Budget Priorities Survey?
   i. **Executive VP Sharma:** We’re waiting on one more administrative approval. It should be live tomorrow we’re hoping.

**Executive VP Sharma yields the floor to President Horen**
   1. **President Horen:** Yes, the final administrator signed off on the questions earlier today. Now we just need to have Student Affairs send out the final email blast.

V. **New Business** *(19:58)*

a. **Senator Walter** motions to postpone items of New Business to the next senate meeting
   i. **Senator Tawfik** seconds
   ii. Motion passes

b. **Parliamentarian Carlin:** Point of order: I believe we have one more item on the agenda.
   i. **Executive VP Sharma:** I believe the motion proposed was to postpone both items of New Business

c. **Parliamentarian Carlin:** Point of order: Two items cannot be postponed in one motion.

d. **Senator Morris** motions to postpone the second item of New Business to the next senate meeting
   i. **Senator Waggoner** seconds
   ii. 2 for, and 2 against speakers:

   1. **FOR: EDOC Gilbert:** As **Executive VP Sharma** said, we need to be out of the state house by 8 pm, and it is 8 pm.
   2. **AGAINST: Parliamentarian Carlin:** The fact is that the Student Government is unable to full function without complete membership of the OAB. This is an absolutely gross appropriation of the body’s time to have gone through motions we did without confirming the justices that should have been our first priority. Both of our justices are currently here and have gone through a laborer’s process to get here. They have made several commitments, as well as organize their time around the senate meeting. It would be very rude to them to not confirm with them at this time, and give them a full endorsement by myself, by **President Horen**, and should realistically be confirmed by the senate in a matter of minutes, and it should be something to consider the body really place as a higher priority. Thank you.
   3. **FOR: Senator Morris:** While I do believe that confirming the justice is important, what’s very important at this time is something that **Executive VP Sharma** mentioned at the beginning – the fact that we are in the state house and we are being held overtime, and we have a higher commitment to that.
   4. **AGAINST: Senator Driesman:** I echo the sentence that the previous against speaker said.

   iii. **Executive VP Sharma** breaks the tie
   iv. Motion passes

VI. **Open Discussion** *(20:03)*

VII. **Adjournment** *(20:03)*
