ARTICLE I: NAME

The name of this organization will be the Student Government Association of Northeastern University. For the purposes of this document, the organization will be referred to as the Association.

ARTICLE II: MISSION

A. Mission Statement

The Student Government Association serves as the voice of the undergraduate student body. It strives to promote student interests within the University and its surrounding communities in order to enrich education, student life, and the overall Northeastern experience.

B. Object

In support of this mission, the object of the Association is to be the official liaison between the students and the University Faculty and Administration; to act in an advisory capacity to the Faculty and Administration; to strive to make the University a continually more serviceable institution; to serve students as a resource in resolving concerns; to be the means by which the student body of the University communicates with the faculty, administration, and Trustees of the University; to be the approval authority for all petitions or referenda that students or student organizations wish to circulate among the student body; to be the means by which students influence the educational programs, processes, and the administrative management of the University; and to distribute funds from the Student Activity Fee to eligible student organizations. The Association is the means by which students are represented in the governance of the University. The Association is therefore the general interest group on campus advocating in the interest of all undergraduate students. At its electoral base are full-time undergraduate students currently enrolled in the University. The Association’s operational activities are carried out by three active service branches that are open to all qualified students in the manner prescribed by the Constitution.

The Association was established on the basis that it would be the representative group of the entire full-time undergraduate University community including all of its diverse views and peoples.

It is our hope and duty that the Association respect, understand, and accept the differences and similarities that exist within and outside our University community.

ARTICLE III: STRUCTURE

The Association comprises three branches. The purpose of the Executive Branch is to manage the programs, processes, and services authorized by the Senate, Constitution, and Bylaws. The Operational Appeals Board shall be the branch of the Association that arbitrates appeals. The Student Senate is the representative body of Northeastern University students that governs the Association and carries out the legislative process of the Association.
ARTICLE IV: MEMBERSHIP

A. Students become voting members of the Senate by following the election procedures outlined in the Constitution and Bylaws of the Association. Senators will receive membership status through the petition process whereby they are responsible for completing the nomination form. Current senators may not sign a prospective senator's nomination form.

B. Members of the Senate must be enrolled as full-time, undergraduate students of Northeastern University, in good academic and judicial standing, and be responsible to an identifiable constituency. Senators are responsible for maintaining an effective system of two-way communication and consistently returning to and representing their respective constituents. Senators will serve terms that each span one full year.

C. Senators will be voting members of the Senate during both academic and co-op semesters. Senators may petition the Chief of Staff to be placed on the inactive roster for long-term Senate excusal, for reasons specified in the bylaws. The Chief of Staff’s decision must be confirmed by a majority vote of the Executive Board. Senators must have served in the Association for the previous four weeks to be placed on the inactive roster and can remain on the inactive roster for no longer than six months. Senators who have been placed on the inactive roster retain voting rights for Full Body Senate meetings, but are excused unless choosing to be in attendance.
